

Product Fiche

Energy	
Parameter Name	Energy
Model Name	W2000000102
Energy Efficiency Class	A
Power Class	100
Power Class	100
10 mode power consumption (W)	100
Standby Energy Consumption (W)	100
Maximum Mode Power Consumption (W)	1.10
10 mode Power Consumption (W)	100
Power Regulation	1000/1000

Energy consumption (W) with per year based on the power consumption of the television operating 4 hours per day for 365 days.
The actual energy consumption will depend on how the television is used.
