

Product Fiche

General	
Manufacturer's Name	Samsung
Model Name	SM-N9600/DS
Energy Efficiency Class	A
Screen Size	6.0 inches
	15.24 cm
2D mode power consumption (W)	400
Screen Energy Consumption (W)	300
Standby mode Power Consumption (W)	0.50
3D mode Power Consumption (W)	400
Screen Resolution	1440x3040

*Energy consumption 0.50 W per year based on the average consumption of the network operating 8 hours per day for 365 days.
The screen energy consumption will depend on how the network is used.
